TWINNING OATH

We, Cosimo Annunziata and Gheorghe Iile,
Mayors of San Marzano sul Sarno (country) and of Vulcan (country)

Freely elected representatives of our fellow-citizens,
Certain that we act on behalf of the sincere wishes and real needs of our
populations,

Aware that our civilisations and peoples found their origins in our ancient free local
communities, that the spirit of liberty was first recorded in the freedom won by
them, and later, in the local self-governments they were able to found,
Considering that history shall continue in a wider world, but that this world will be
truly humane only in so far as men and women live freely in free cities,
Convinced of the necessity of respecting the principle of subsidiarity, Affirming our
value of respecting human rights, which we hold as inviolable and inalienable,
Recognizing that the growing interdependence of different national societies
necessitates an international, global democratic order, the foundation for a real
peace,

Convinced that the ties that bind the towns of our continent constitute a
fundamental element upon the path towards developing European citizenship and
thus promote a Europe of human dimensions

DO TAKE, ON THIS DAY, A SOLEMN OATH

According to the relationships established between our two countries,
To maintain permanent ties between the governments of our municipalities in
order to promote our dialogue, to exchange our experiences and to implement all
joint activities which may foster mutual improvement in all domains that fall within
our competences,
To encourage and support exchanges between our fellow citizens in order to
ensure, through greater mutual understanding and efficient cooperation, the true
spirit of European brotherhood for our now common destiny,
To act according to the rules of hospitality, with respect for our diversities, in an
atmosphere of trust and in a spirit of solidarity,
To guarantee for all people the possibility of participating in the exchanges
between our two communities without discrimination of any form,
To promote the universal values of liberty, democracy, equality and the rule of
Law, through our exchanges and cooperation,
Focus our efforts using all the means at our disposal to supporting the success of
this essential undertaking for peace, progress and prosperity, which is:
